We are pleased to offer you a new service—the Direct Payment Plan. Now you can have your payment deducted automatically from your checking or savings account. And you won't have to change your present banking relationship to take advantage of this service.

The authority you give to draft these payments will remain in effect until you notify us in writing to terminate the authorization. You will still receive a bill every month. This will give you a chance to review the bill before the draft.

All you need to do is fill out the information below in full and return it to the Water Department. You can mail, fax, or e-mail this form. Please be sure and sign the form, too.
We cannot process it without your signature.

Please note - there will be no fee for this service.

I authorize the Village of Surfside Beach to initiate an electronic debit entry to MY:

checking

savings

for payment of my Surfside Beach utility bill.

I acknowledge that the origination of ACH transactions to my account must comply with the provisions of US Law. The authority will remain in effect until I have canceled in writing.
