

Boil Water Rescind Notice

On March 22, 2018 the Texas Commission on Environmental Quality (TCEQ) required our public water system Village of Surfside Beach, Texas, PWS ID TX020037 to issue a Boil Water Notice (BWN) to inform our customers that due to the water line break at Shark Lane caused by an overturned cement truck water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of March 26, 2018.

If you have questions, contact City Hall, Pete Gutierrez at 979-233-1531.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
